Superior nutrition

The premium grains in Jenco 16% Pullet Grower Mash have been carefully selected and mixed to deliver maximum nutritional benefit to young chickens. This mash is designed as the second stage in your flock's feeding program. After your Pullets have reached Point of Lay stage, you should switch to an adult feed that boost egg production – such as the 16% Coarse Layer Mash, 17% 'Sorghum Free' Layer Mash or 18% Fine Layer Mash.

To help your Pullets grow into healthy, hen-laying eggs, the 16% Pullet Grower Mash has been specially formulated to include:

- Vitamin E to enhance the immune system
- Extra calcium and limestone to help prepare for better shell strength.

The mash is naturally sweetened with molasses and vegetable oils, which gives it a beautiful fresh sheen and great palatable taste.

All natural

All our products are 100% natural vegetarian feeds that are free from Restricted Animal Material (RAM*), medication, antibiotics, hormones, artificial colours and flavourings.

Quality guarantee

In making this product we source only the very best grains and use strict quality control procedures to remove all impurities to ensure a superior quality nutritious feed every time.

Premium ingredients

This formulation consists of ingredients selected from the following list:

Wheat, Maize, Oats, Barley, Sorghum, Cr. Lupins, Grey Stripe Sunflowers, Limestone, Calcium, Soyabean Meal, Cottonseed Meal, Vitamin and Mineral premix, Molasses and Vegetable Oil.
