## Cracked Mixed Grain

Give your free range chickens the best nutrition with Jenco Cracked Mixed Grain – a hand-picked selection of the best grains for healthier hens.

### Superior nutrition

Jenco Cracked Mixed Grain consists of an optimum blend of nutritious cereal grains that are sourced from premium suppliers and then carefully cleaned and rolled so that the grains are a smaller and more manageable size for hens to peck and digest.

The feed is naturally sweetened with molasses and vegetable oils, which gives it a beautiful fresh sheen and great palatable taste.

Jenco Cracked Mixed Grain should be used as a base feed for chickens that are free to forage for additional sources of nutrition. If your chickens are unable to forage, you may need to supplement this feed with another of Jenco's layered poultry feeds.
