Superior nutrition

With no sorghum and a larger percentage of alternative cereal grains, Jenco 'Sorghum Free' Coarse Grain Mix is a highly nutritious and premium quality supplementary feed for your chickens. The mix is naturally sweetened with molasses and vegetable oils, which gives it a beautiful fresh sheen and great palatable taste.

Jenco 'Sorghum Free' Coarse Grain Mix should be used as a base feed for chickens that are free to forage for additional sources of nutrition. If your chickens are unable to forage, you may need to supplement this mix with Jenco 17% 'Sorghum Free' Layer Mash.
